POLICY

Title	Gravel (Aggregate) Pit Conditional Use Application Advertising
Policy #	3-2022
Issue Date	April 7, 2022
Resolution	31/22
Authority	Mid-West Planning District Board
Repeals Policy #	n/a

SUBJECT / APPLICATION: Outlining the advertising measures that will be taken for Gravel (Aggregate) Pit Conditional Use applications.

For Gravel (Aggregate) Pit Conditional Use applications, hearings are held with the municipal council for review and approval of the Conditional Use.

Regular Conditional Use hearings do not require advertising to the public in print. The Mid-West Planning District Board has found that the Gravel (Aggregate) Pit Conditional Use applications can affect more than the immediate neighbours and therefore want to notify the public of these hearings in case there is interest.

LEGAL AUTHORITY / RELEVANT BY-LAWS: The implementation of this policy will be by resolution of the Board of the Mid-West Planning District.

POLICY: Once a municipal council hearing date is set, advertising of the Notice of Hearing in the newspapers covering the municipality will be placed so that it is inserted for the two (2) weeks (if the newspaper runs weekly) prior to the hearing date.

The cost for this advertising is covered in the Gravel (Aggregate) Pit Conditional Use fee.

Mid-West Planning District also posts the Notice of Hearing on the District's website. This is done for all Conditional Use Notice of Hearings.

The municipal council may offer up use in any advertising space they have already purchased to post the Notice of Hearing instead of the MWPD purchasing a separate ad space. The municipal council also post the notice of hearing on their website and/or any other means of communicating with the public that they use.

END OF POLICY.

This Policy has been reviewed and approved for use or implementation by the Board of the Mid-West Planning District on 7th day of April 2022 by Resolution # 31/22.
