RE: Permit Number: \_\_\_\_\_ Property Address: \_\_\_\_\_

Description of Project: \_\_\_\_\_

Dear Inspector:

I hereby certify that all aspects of the project conform with the plan and supporting documentation which were submitted prior to receiving a building permit or received change approval during the build and that the construction conforms to the Manitoba Building Code. I further certify that there are no outstanding Municipal or Provincial approvals, permit or other requirements pertaining to the use or occupancy of this project.

Enclosed with this letter, is a PDF copy of the final (as built) plans.
