

# THE MID-WEST PLANNING DISTRICT FEES BY-LAW

## By-law No: #-1-2025

WHEREAS Section 21(3), 142(1) and 142(2) of *The Planning Act*, as amended, provides as follows:

21(3) The board of a planning district may adopt:

- (a) a by-law establishing the fees and charges to be paid for services provided by the district, including licences, permits, certificates and other approvals and documents issued by the district; and
- (b) other by-laws, not inconsistent with this Act that may be necessary to carry out and exercise its duties and powers under this Act.

142(1) a board or council may, by by-law, set the fees and charges to be paid by applicants.

142(2) Fees and charges may relate to technical, administrative, professional, consultative, or other services required by the municipality or planning district to examine and approve a subdivision application.

AND WHEREAS Sentences 7(6)(b) and 18(4)(b) of *The Fires Prevention and Emergency Response Act* provides as follows:

7(6)(b) A fee for carrying out a fire safety inspection under this section may be charged by the local authority, where the inspection is carried out by a local assistant and may be collected in the same manner as a cost under subsection 18(4).

18(4)(b) An amount under this section may be collected in the case of a local authority, (i) by action in a court of competent jurisdiction, or (ii) by adding the amount to the real property taxes imposed by the local authority on the property, in which case the amount added may be collected in the same manner and with the same priority as those taxes.

AND WHEREAS the Mid-West Planning District Board deems it expedient and to repeal Fee Structure By-Law 1-2024 and all amendments thereto, and substitute therewith a new Fee Structure By-Law.

NOW THEREFORE, the Mid-West Planning District Board in session duly assembled enacts as follows:

### **1.0 APPLICATION:**

1.1 All development undertaken within the limits of the Mid-West Planning District shall be subject to the fees as set out in this by-law and shall be used to determine and regulate fees and charges as interpreted and administered by the Development Officer and payable to the Mid-West Planning District.

### **2.0 DEFINITIONS:**

2.1 “**Addition**” means an improvement that increases the square footage of a structure. These include lateral additions added to the side or rear of a structure, vertical additions added on top of a structure and enclosures added underneath a structure.

(All buildings requiring “Building Permits” fall under the classification of either Part 3 or Part 9 of the Manitoba Building Code. (Typically, buildings and structures less than 600 sq. meters in size and classed as *Farm Buildings* are not regulated by the Manitoba Building Code.)
- 2.10 **“Deck”** means the flat surface capable of supporting weight, like a floor, but typically constructed outdoors at least 8” from grade (ground) and with a dimension greater than five (5) feet if attached to the building in front of a door/exit. Otherwise, any sized flat surface that is over 8” from grade (ground) is considered a deck, whether attached to a building or not.
- 2.11 **“Demolition Permit”** means a permit authorizing the demolition or removal of a building(s) and/or structure(s), including accessory buildings, issued by the Mid-West Planning District pursuant to the Manitoba Building Code.
- 2.12 **“Designated Officer”** means an officer of a planning district who is designated to carry out a power or responsibility in accordance with the Planning Act or any other Act where designated and is hereby named as the Development Officer of the Mid-West Planning District.
- 2.13 **“Development Officer”** means an employee of the Board, who may also serve as the Chief Building Official for the Mid-West Planning District, responsible for issuing permits, administering, and enforcing the Building Code and applicable District and member municipal by-laws under authority of *The Planning Act*.
- 2.14 **“Development Permit”** means a permit authorizing development, including construction and/or land use, issued by the Mid-West Planning District pursuant to The Planning Act and the applicable Mid-West Planning District Development Plan and municipal Zoning by-laws.
- 2.15 **“Farm Building/Structure”** means a building or structure, other than a dwelling, which does not contain a residential occupancy, situated on a farm, and used or to be used in the actual farming operation and which is:
- (a) associated with and located on land devoted to the practice of farming and considered to be an *“Agricultural Operation”* and
  - (b) used essentially for the housing of equipment or livestock, or the production, storage

or processing of agricultural and horticultural produce or feeds, such as barns, produce storage buildings, milking centres, piggeries, poultry houses, grain bins, silos, machinery sheds, farm workshops, feed preparation centres, manure storages, greenhouses and garages not attached to a farm residence and

(c) has a Low Human Occupancy (as applying to farm buildings) means an occupancy having an occupant load of not more than 1 person per 40 square meters during normal use)

- 2.16 **“Home Industry”** means a small-scale manufacturing, repair, or trade activity such as but not limited to a welding shop, plumber, electrician, carpentry or cabinet maker, auto repair mechanic or trucking operation and similar uses which are carried on in or from a dwelling or its accessory building for consideration and which is located on the same site, and which is clearly secondary and incidental to the principal use of the property.
- 2.17 **“Home Occupation”** means an occupation, trade, profession, or craft such as but not limited to a hair salon, bed and breakfast operation, tearoom, home day care operator, lawyer or accountant and similar uses which are carried on in or from a dwelling unit or its accessory building for consideration and which is clearly incidental or accessory to the principal use of the property.
- 2.18 **“Interim Occupancy Permit”** means authorization in writing to occupy any building or part thereof prior to full completion.
- 2.19 **“Occupancy Permit”** means a permit authorizing the occupancy of a building or portion of a building, issued by the Mid-West Planning District pursuant to the Manitoba Building Code.
- 2.20 **“Patio”** means a detached structure placed on the ground which has a total elevation not higher than one riser (200mm) (8 inches) measured above the average ground level on site.
- 2.21 **“Plumbing Permit”** means a permit authorizing plumbing installations and repairs, including all rough-ins and hook-ups, issued by Mid-West Planning District pursuant to the Manitoba Plumbing Code and Manitoba Building Code.
- 2.22 **“Pool”** means an artificially constructed basin, lined with concrete, fibreglass, vinyl or like material, that can contain a water depth greater than 60 cm (24 inches).
- 2.23 **“Project Value”** means the total monetary worth of the final project costs, including all construction costs, material costs and labour costs associated with the project. This will include such things as site preparation, foundations, construction, all painting and papering, (interior finishes), exterior finishes, roofing, electrical work, plumbing, permanent or fixed equipment, including any permanent heating, elevator equipment, fire protection or sprinkler equipment, and all labour, materials and other devices entering and necessary to the prosecution of the work in its completed form.
- 2.24 **“Renovation”** means an update to an existing building or a return to a new condition.
- 2.25 **“Temporary Building”** means a building placed at a particular location for a period authorized by the authority having jurisdiction. If the building is not removed on or before the end of the authorized period, it is a new building for the purpose of the Code.
- 2.26 **“Zoning Conformation Request”** means to verify, in writing, the land use designation as per the Development Plan, zoning as per the applicable Zoning By-law, on a specific site. (Zoning Confirmations are typically used by financial institutions during due diligence processes but can be requested by anyone at any time.)
- 2.27 **“Zoning Memoranda”** means a written letter that identifies whether all buildings and structures identified on a site and typically by a legal survey on the property in question, conforms to the siting requirements in the applicable Zoning By-law, and if applicable, reasons for non-conformance.
